Archibald 10755 is stoic, introverted, and quiet. He is tall and looks very strong, with long, large arms and a broad chest and shoulders. He is one to choose to fit in, typically seen in a plain white tee and neutral cargo shorts. He has a square face shape and is framed by a thick beard and mustache. His eyebrow ridge is prominent, casting a slight shadow over his small, round brown eyes. His lips are thin with a deep cupid's bow and small mouth. His features and personality give him a very serious persona and fits his career choice.

He does so by rebuilding computers, reading about historical events, and relaxing with his six rescue dogs. Archibald is hardworking and has strong family values.
