

Rurik 10990 Staff Impression

Rurik has a tall, athletic build at 6'3" and 210 pounds, with broad shoulders. His youthful face is oval-shaped, highlighted by high cheekbones, and a beaming, full-lipped smile. His light brown wavy hair adds a touch of warmth to his features, complementing his striking blue-green jewel-toned eyes. With medium skin that tans moderately to a golden hue and unattached earlobes, he suits a soft autumn seasonal palette, looking best in warm, earthy tones like muted teals, soft browns, and warm grays that enhance his natural glow.

Rurik is pursuing an associate degree in computer science with a solid academic background. He's bilingual, with strong mechanical skills from building computers and fixing electronics. An avid athlete, he enjoys basketball, swimming, and table tennis, alongside hobbies like camping, reading science fiction, and exploring technology and history. Ambitious and optimistic, he describes himself as a problem-solver who thrives on new challenges and is driven to make things happen. He is passionate about international politics and volunteering to provide support and financial resources to refugees impacted by war. He approaches everything he does with kindness and curiosity. In the future, he envisions building a successful business to support scientific research and starting a family. He chose to donate to help others build loving families, believing his healthy traits can give children a strong start in life.
