

## Sterling Staff Impression

Tall, dark, and handsome comes to mind when you think of Sterling. His black hair and brown eyes as well as his strong eyebrows go well with his beautiful clear olive complexion. Sterling has a very charming smile that he wears often that shows off his white, straight teeth. He has a toned chest and arms that he keeps in shape by playing basketball regularly.

Sterling is the life of the party! Every time he is in our office he has a new story he is happy to share with us. Other than his extremely friendly personality, Sterling is passionate and driven. He knows what he wants his path in life to be and will do what is necessary to achieve those goals. He has a great aptitude for math and computer science which he uses daily as a full-time student. Sterling has an infectious laugh and unique tone of voice. These qualities make Sterling a great donor who we are happy to have in our program!
