

Open Donor: Clarence

Staff Impression

Clarence has a muscular build, a result of his very active lifestyle comprised of sports and lifting weights. He has large, blue eyes and light brown hair to complement his light skin tone that darkens with time in the sun. He keeps his face clean shaven and his hair short, showing off the few freckles he has. Clarence has full, pink lips that are usually smiling to reveal straight white teeth. All these features make Clarence a good looking young man.

Clarence is very dedicated to his passion of fitness and nutrition. He is currently pursuing a degree in Fitness and hopes to someday own a gym or training facility. Clarence is driven, ambitious and has a strong work ethic. Clarence is also very social, easy to talk to, engaging and shows a genuine interest in others. All of these attributes make Clarence a great addition to our donor program.
