

Open Donor: Robin

Staff Impression

Robin is tall, standing at 6'2" with a lean build. He enjoys a variety of sports as well as light lifting and cardio to stay in shape. Robin has a straight, light brown hair and green/brown eyes. He has straight white teeth that are almost always showing due to the smile that is constantly on his lips. He keeps his hair a little longer and his face always clean shaven, giving him a boy-next-door look.

Robin is extremely laid back with a southern California mentality. He is fun loving and relaxed with his friends, enjoying things such as surfing, skateboarding and playing guitar. He has a fabulous sense of humor and laughs easily, even if it is at himself. However, he is also a hard worker with a strong work ethic. He is extremely intelligent and works hard to make sure his grades are excellent. We truly enjoy having Robin the program not only because he makes us laugh, but also for the stimulating conversation he offers.
