

### **Marsh (12428) Staff Impression**

Marsh is a gentle giant who is an intelligent, thoughtful, and well-spoken wordsmith. He is tall and lean with a large build, broad chest, long limbs, and strong masculine features. His face is rectangular with deep-set eyes, a pointed nose, a square jawline, a cleft chin, and a broad smile. He has a medium complexion, sandy brown hair, and light green eyes.

Marsh is an avid reader with a lengthy reading list that includes both classics and lesser-known authors with unique writing styles. He has been writing since his teen years and has had articles published in both his high school and local newspapers. Marsh is branching out in his writing and is currently trying his hand at composing fiction. He is employed in tech and hopes to follow in his father's entrepreneurial footsteps by starting his own business in a few years. We expect that his diligence and hard work will reward him with success in his endeavors.
