

Yan (12470) Staff Impression

Yan is a handsome donor who is slender and fit with a small build. He has a heart-shaped face with a strong jawline, full brows, high cheekbones, hooded eyes, a mid-sized nose with a high bridge, and a rounded tip. His smile is charming and relaxes with light pink lips of medium fullness.

Yan is a truly impressive individual! He is disciplined, hard-working, and tenacious, always following through on achieving his goals. He lives a very balanced life and faithfully takes time to exercise, prepare healthy meals, keep a well-organized home, and spend quality time with loved ones. He works as a physician and is passionate about his job, he hopes to continue practicing medicine throughout his life.
