

### **Wilder (14065) Staff Impression**

Wilder has dark brown hair, complementing green-brown eyes and a medium skin tone. He is 6 feet tall with an athletically lean physique. He grew up playing baseball and currently enjoys biking and running to keep active. He considers learning how to ski as one of his favorite childhood memories and skiing is still a favorite winter pastime for him.

Wilder is an established accountant and hopes to branch more into the field of marketing in the future. He is strongly suited in the field of mathematics and can look at things analytically and logically. Outside of work, however, he can be described as easygoing, with an equal balance of being both extroverted and reserved. Wilder lived in Spain for a while, learning the culture, exploring the land, and even learning Spanish, which he is very proud of. He hopes to travel to South America in the future and experience life in other Spanish-speaking countries as well. Wilder is a well-rounded individual and we are glad to have him as a donor!
