

Hamza Staff Impression

Hamza is super friendly, easy going, and has an outgoing personality. He is definitely a people person because he will walk in the office greeting everyone and have small talk. Hamza is a student studying Industrial Engineering and works part time. His ambition is to own a hotel one day which he is excited about and will work hard to reach that goal. Hamza enjoys reading, hiking, swimming, and playing basketball.

Hamza is average height with a medium build and olive complexion. He has a round face, almond-shaped black eyes, full lips and a nice smile that reveal his straight teeth. He keeps a clean-shaven face and has nicely groomed short black hair. Hamza has beautiful curly eyelashes (so jealous). We are happy to have a respectful and joyful donor like Hamza in our program!
