

Herb (12022) Staff Impression

Herb is handsome with an oval face, full lips, pointed nose, and attractive, well-proportioned features. He has dark hair and eyes that pair well with his dark tan complexion. He is fit and muscular with long limbs and fingers.

Herb has a pleasant, optimistic personality, and welcoming demeanor that makes him approachable and easy to get along with. He is exceptionally musically talented, playing 18 different instruments! He is very athletic and great with children, both come in handy for him when spending time with his nephews and teaching children's gymnastics! We are happy to have such a charismatic and charming donor in our program.
