

Lawin 20032 Staff Impression

Lawin is a welcoming guy with understated confidence. His oval-shaped face is complemented by straight, thick, dark brown hair that always seems to fall perfectly into place without much effort. His rounded, almond-shaped brown eyes reflect his observant nature and warmth, while his brow line reading glasses perch on his button nose, giving him a thoughtful, scholarly appearance that suits him perfectly. When he smiles, his full lips curve into an expression that makes you feel like he's sharing something special with just you. There's something subtly magnetic about him that makes you do a double-take.

As a physical therapist, Lawin makes wellness seem natural and uncomplicated. He brings genuine compassion, focus, and subtle humor to helping his patients. Outside work, you'll likely find him on the basketball court, moving with the same composure that defines him. Family means everything to Lawin—they're his foundation and what matters most. He's happiest spending time with loved ones, whether it's sharing weekend meals, playing impromptu games, or simply chatting over coffee. An active lifestyle keeps him energized, and he has an unabashed love for Korean BBQ, especially galbi.
