Zenric 16095 Staff Impression

Zenric is a striking individual with a presence that's both down-to-earth and confident. He has warm brown eyes, a strong build, and long black hair that he wears tied back. His clean and understated style complements his calm, focused demeanor. With a background that blends Japanese and Black heritage, Zenric carries a unique and proud cultural identity that shines through in both his appearance and his interests.

A former Army officer with a degree in history, Zenric is a man of many talents. He teaches kickboxing, flies small planes, and builds video games in his spare time. He's also a skilled 3D artist and a great cook who can perfectly cook a medium-rare steak every time. Friends describe him as driven, compassionate, and always ready to help others grow. Whether he's hiking, coding, or mentoring, Zenric brings a thoughtful, upbeat energy to everything he does.
