

Rhine 20045 Staff Impression

Rhine has a warm, inviting smile that lights up his oval face. His well-groomed full beard, defined cheekbones, and straight nose give him a handsome, masculine appearance. His expressive brown eyes are framed by thick, dark eyebrows, and curly brown hair crowns his head. With very fair skin that has cool undertones, his contrasting features are striking. At 6'2" and with a solid, strong build from weightlifting and past sports, it is apparent that he is athletic.

Rhine holds a bachelor's degree in exercise science and has strong academic skills. He is good at advanced math, including calculus, basic mechanical tasks, and athletics. He was a collegiate baseball pitcher and still enjoys playing golf. He speaks English and knows American Sign Language, loves cooking, and prefers dogs as his animal companions. While he may be shy at first, he becomes outgoing once he feels comfortable. He is determined, caring, and always cheers for others' success. This attitude is shaped by a close-knit family that instilled strong values and life lessons. Rhine donates to help those eager to start families of their own.
