

Denali 13215 Staff Impression

Denali has a lean, medium build with fair skin that tans lightly. His straight blond hair is styled short and spiky, and his bright blue eyes give him an appealing look. He has an oval face with high cheekbones, a straight nose, thin lips, and a genuine smile. His arms and chest sport intricate geometric patterns, highlighting his creative side.

Denali has a natural talent for math and mechanics. He enjoys being artistic, drawing, painting, and wire-wrapping crystals. His hobbies include hiking, exercising, playing poker, video games, and ping-pong. He is also learning to play a musical instrument and is an animal lover, with a preference for snakes. Denali is kind, loving, direct, and positive. He has a supportive family that has nurtured his spiritual growth and compassion. They encourage a "love of life"
