Email this form to info@europeanspermbankusa.com or FAX to (206) 588-1485. For additional information or questions call (206) 588-1484 or visit www.europeanspermbankusa.com. Our guarantee applies only if our thaw procedures are followed and applies to specimen at the time of thaw, prior to any post-thaw processing. Counting between laboratories can vary by as much as 20-30%. Our final decision will take this analytical variation into account for determining if the specimen is eligible for credit.
